Bellingham Award Program Honors the Achievement

BELLINGHAM July 30, 2016 -- Exact Scientific Svc has been selected for the 2016 Best of Bellingham Award in the Testing Laboratories category by the Bellingham Award Program.

Each year, the Bellingham Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Bellingham area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2016 Bellingham Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Bellingham Award Program and data provided by third parties.
